Professional Summary

Front-End Engineer with 5+ years of experience developing high-performance, responsive web applications using React, Redux Toolkit, Angular, JavaScript, and TypeScript. Skilled in UI/UX design, RESTful API integration, and Agile methodologies. Demonstrated expertise in improving performance, scalability, and user engagement through modern front-end practices. Proficient in CI/CD pipelines using Jenkins and GIT, ensuring efficient deployments, and maintaining code integrity.

Core Skills

- Frontend technologies: React, Angular, HTML5, CSS3, JavaScript, TypeScript
- API integration: RESTful APIs, JSON
- DevOps and version control: Webpack, Jenkins, Git
- Agile methodologies: Scrum, TDD
- Database management: SQL
- Software development lifecycle (SDLC)
- Unit testing and troubleshooting
- Technical documentation

Experience

Citi

Senior Software Engineer (C11)

08/2022 - Current

- Lead front-end development for enterprise-scale web applications using React, Redux Toolkit, and Reflux, ensuring scalability and performance.
- Collaborate with cross-functional teams to integrate RESTful APIs (Java Microservices, Oracle DB) with front-end components.
- Implemented performance optimizations such as code-splitting and lazy loading, reducing load time by 40%.
- Utilized Jenkins and GIT for CI/CD, improving deployment efficiency and code reliability.
- Mentored junior developers on React best practices and state management techniques.
- Key Achievements: Enhanced user engagement by 30% through development of dynamic and interactive UI components, and reduced build times by 25% through efficient bundling and reusable component design.

NeoSoft Technologies Pvt. Ltd.

Software Engineer

04/2021 - 08/2022

- Developed Angular single-page applications with reusable components and seamless REST API integration.
- Collaborated with back-end developers to ensure smooth API communication and optimized data flow.
- Maintained UI consistency with responsive layouts and cross-browser compatibility.

ThinkApps Solutions Pvt. Ltd.

Front-End Web Developer

10/2019 - 12/2020

- Built responsive educational web pages using HTML5, CSS3, and JavaScript.
- Provided technical troubleshooting and maintenance support for client-facing applications.

A One Salasar Pvt. Ltd.
Associate Business Developer
03/2019 - 06/2019

- Supported business development through lead generation, client communication, and relationship management.

Education

G.V. Acharya Institute of Engineering And Technology | Shelu
Bachelor of Engineering (B.E.) in Computer Engineering
06/2018
